Grants Pass, OR 97526

Dear Jennifer Ramirez,

I found out about this position by seeing a 'now hiring' sign at the local Starbucks in Safeway. I am a junior at Grants Pass High School. I am currently involved in lifeguarding and helping teach swim lessons for children three to twelve.

I am very good with people and I always put the customer first. I have great servitude skills and I'm friendly. This benefits the company because Starbucks employees are always serving and interacting with different types of people and they have to be able to serve everyone with a smile on their face. I am bilingual. I fluently know Spanish and English. This benefits the company because I can easily interact with people who know Spanish or English. I am interested in this position because I like to work with people and serve others.

I would like to have the opportunity to be interviewed for a position at Starbucks. I have attached my resume to this email. Thank you for taking the time to read this. I look forward to hearing back from you to set up an interview.

Sincerely,

Nayeli Garcia
